

PTC Temperature Controllers PCT冷凍控制器

MTR-11

Features

- This controller is designed specifically for freezer control.
- Display range:-50~150°C.
- The outer covering uses ABS fireproof material to offer high-security
- Parameter locking functions prevents modification by other users.

Specifications

Model	MTR-11
Product name	PTC Temperature Controllers
Size	78W x 35H x 77D mm
Front panel size	70W x 28H mm
LED size	0.52" 3 digit
weight	220g
Input type	PTC 1000 (2 wire)
Output	Relay x 1 / Relay x 2
Range	-50 ~ 150°C
Ambient Humidity	50 ~ 85%RH
Ambient Temperature	-10°C ~ +50°C
Accuracy	±1K at 25°C
Resolution	±1°C
Power consumption	2.0W
Contact	5A 240VAC
Power supply	AC 85~265V / DC 24V
Installs the fitting	Panel mounting
